

Welcome to Young Independent Insurance Agents of Omaha!

Young Independent Insurance Agents of Omaha is a professional organization dedicated to promoting the insurance industry’s benefits to agency and company professionals under the age of 45 and/or 10 years or less experience in the industry or current position. Our focus is to help develop your professional skills and increase your industry knowledge, while showing you how rewarding a career in insurance can be.

Membership Benefits:

Education – We host events throughout the year that provide continuing education (CE) credit for your license renewal requirements. The courses approved for credit by the Nebraska Department of Insurance aid in developing your professional skills, client relationships and knowledge of the insurance industry.

Networking/Social – Attending meetings will allow you to meet and build relationships with other insurance professionals in the Omaha area, giving you the opportunity to share business ideas and learn from each other. Our social events allow you to kick back after work and enjoy the company of your fellow members!

Community – Omaha Young Agents partners with a new charitable organization each year. Supporting the community and enhancing the insurance industry’s image to others is an important way to promote awareness to our field of business.
